### 6 Months price history in CHF (weekly NAV and daily closing share price)

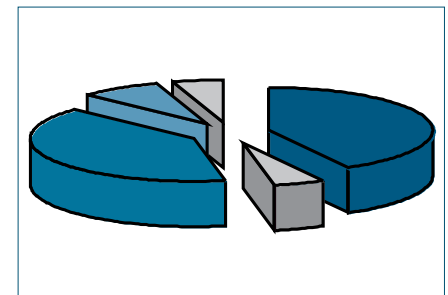

### Strategy

The Company's goal is to achieve attractive absolute returns. This will be achieved by investing in securities, quoted or otherwise, of Swiss and foreign corporations, taking advantage of significant transactional events such as spin-offs, acquisitions, mergers, carve-outs and recapitalizations.

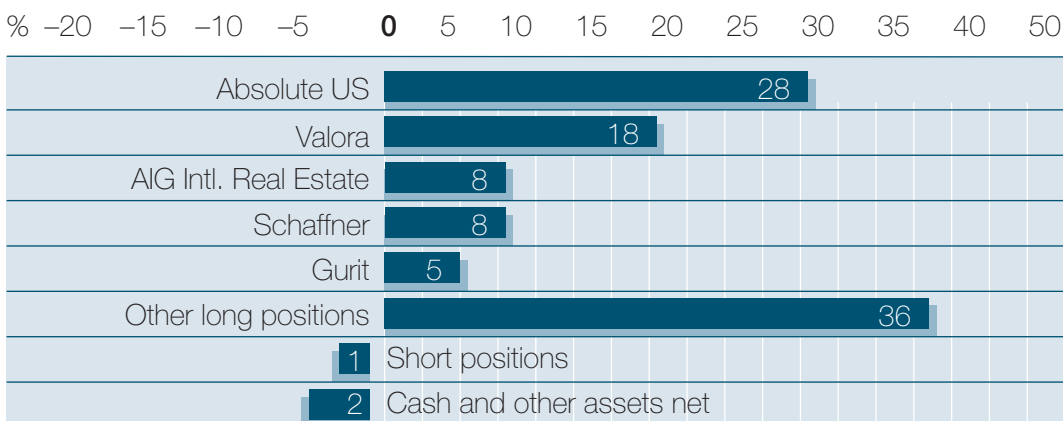

The Company will actively pursue investment opportunities in which it believes its involvement will become a success factor in a transaction the investee company is party to.
