*seven months only / **year to date

As of 30 November 2007, the net asset value (NAV) per share was CHF 17.92, which represents a 0.9% decrease when compared to the previous month. The share price of CHF 18.10 is unchanged compared to the month of October. Year to date, the NAV per share increased by 1.8%. Over the comparable period, the share price increased from CHF 17.90 to CHF 18.10 or 1.1%.

6 Months price history in CHF (weekly NAV and daily closing share price)

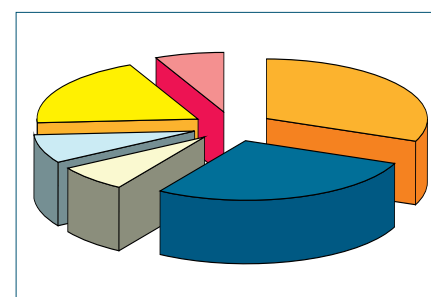

Strategy

The Company's goal is to achieve attractive absolute returns. This will be achieved by investing in securities, quoted or otherwise, of Swiss and foreign corporations, taking advantage of significant transactional events such as spin-offs, acquisitions, mergers, carve-outs and recapitalizations.

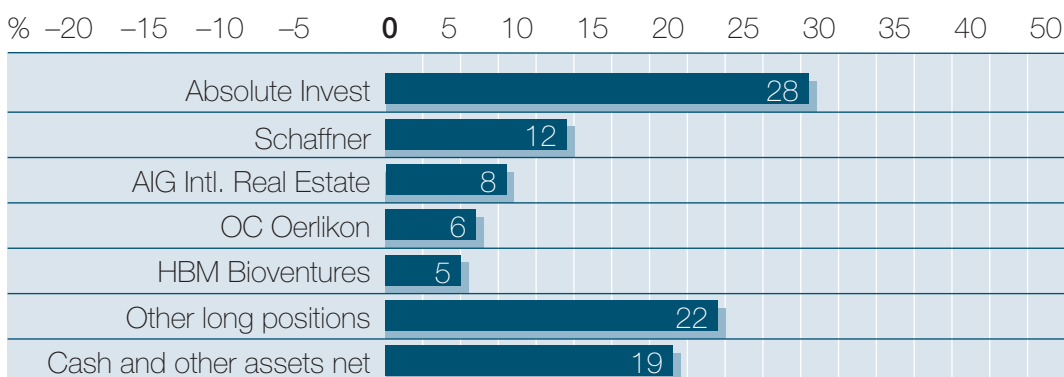

The Company will actively pursue investment opportunities in which it believes its involvement will become a success factor in a transaction the investee company is party to.
